**'Priestley & Proud' Afternoon**

26 February 2024

Dear Parents & Carers

**PRIESTLEY AND PROUD AFTERNOON – TUESDAY 26 MARCH 2024**

Our relationship with parents is important and children benefit from a successful partnership between home and school, where expectations and values are aligned. To help with this, we look for ways to involve parents as much as possible in the life of the school. So, following the success of our first event, last December, we are delighted to be able to invite you to our second **'Priestley & Proud'** afternoon, during which we will again celebrate and share the impressive work that the children have undertaken so far this year.

**The classrooms will be open from 2.15 pm until 3.00 pm on Tuesday, 26 March.**

If you have more than one child in school, there will be enough time so you can split your time between their respective classes.

As children's safety is our prime concern, there are a few safeguarding guidelines we need to make you aware of in line with our school policy:

- Please enter the school via the main entrance for your sessions.
- When you arrive, please switch off your mobile phone. Please do not have your phone out during the sessions or use it to take photographs.
- If you need to use the toilet during these sessions, please only use the adult toilets near the main entrance – the office staff will direct you.

To be able to tackle the challenges of the future, our children should leave Priestley as confident, considerate individuals who recognise the need for hard work, just as they know that we are all unique, being different and talented in a variety of ways.

We hope the afternoon visit is enjoyable for all, as well as being informative and useful to you. As it is only the second occasion on which we have held this activity, any feedback will be gratefully received, so we are able to consider changes for next time. If you do have any concerns or queries, please don't hesitate to contact me.

We would like to thank you in advance for your cooperation and support to make this a very valuable and worthwhile experience for you and your child.

We look forward to working and learning with you!

Yours sincerely

**Luke Coles**
